An

Era!!!!!

We started as two small rural schools of eight grades in 1918. Growing, we decide to consolidate. This consolidation lasted through many trials and has proved to be the best solution. Since we kept growing, we consolidated again with plans for a new school which would accommodate 2,000 students. These plans were carried out, and now Huntertown High School and all that it has for will leave as the last class of seniors graduates.

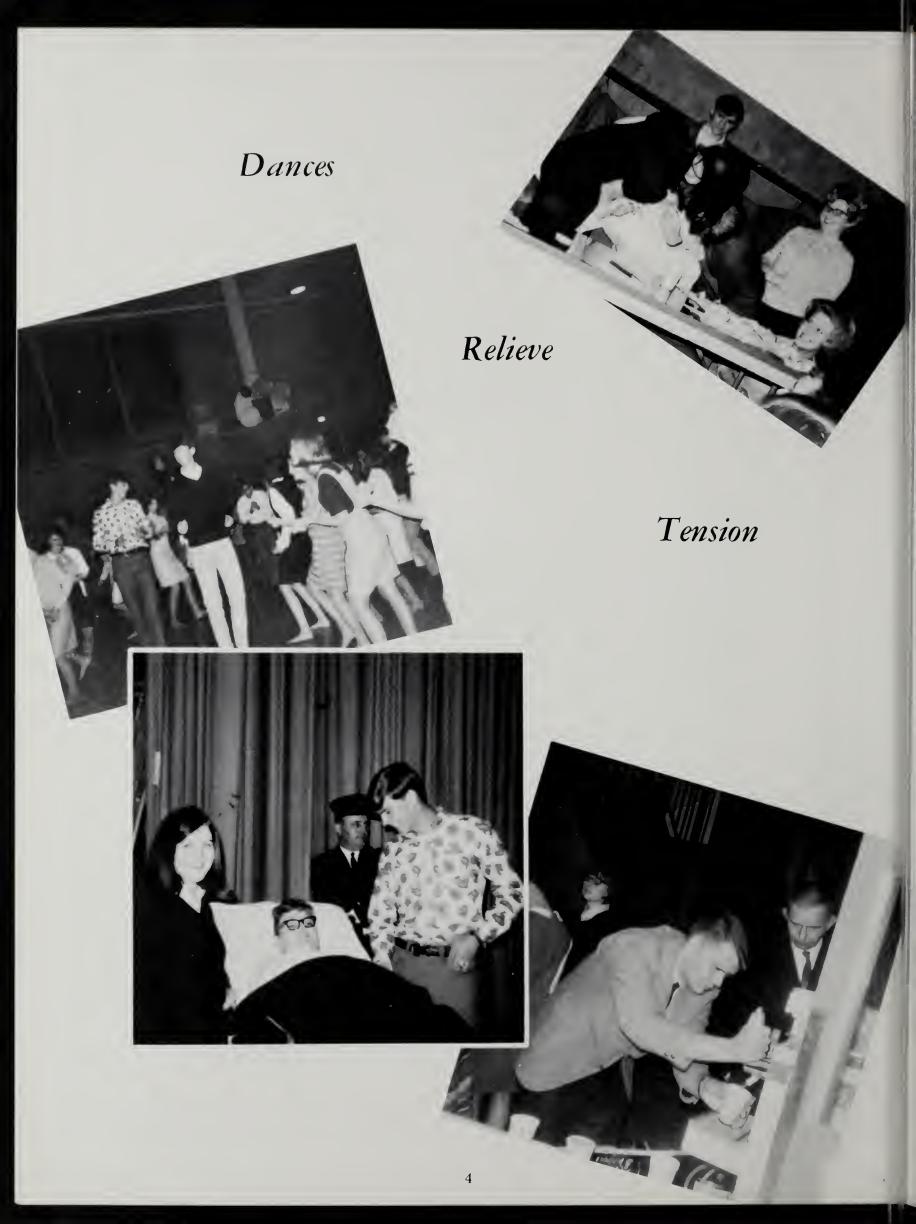

Forty-eight graduating classes of 1500 seniors have shared in our thrills and events of a year. Huntertown's traditions probably will not be carried over--but those of us who were graduated from here will always remember the school song, school colors, the bi-weekly newspaper, and the mascot, a roaring wildcat.

We will always remember the lasting friendships we made, the organizations we joined where we gained leadership and valuable experience, the sports where we excelled enthusiastically and with an abundance of energy against our challenging rivals, and the classes where we broadened our knowledge of the world and all the worlds problems.

Although the year is over and there will never be another Huntertown High School or any of its traditions, we, the students, will always remember that 1968 was the End of an Era for a great school.

E. Ross Adair is shown here talking to some girls.

E. Ross Adair speaks at school.

E. Ross Adair Speaks. . .

April is teaching career month. During the month of April we had our 4th District Congressman come and speak to us.

E. Ross Adair spoke about his teaching career and also about his life as a Congressman.

A Break From The Usual Routine!!!!!

Standing in the halls at noon is a favorite pass time of some students.

Jan Logar is shown here taking a break from the usual routine by bowling.

Paul, is THAT a clean locker??

Shirley Knelanger is shown here being pinned as a new member to National Honor Society.

Band Performs. . .

The band performed at the ballgames throughout the year. The annual "Toyland March" was played on our last home game before Christmas. A lot of practice and spare time goes into making the band as great as it is. Thanks for the entertainment band members and keep up the good work.

Car Washes----Good Money-Making Projects For Clubs

Y-Teen Camp

Everyone seems to take more stuff than he actually needs. These senior girls are shown outside their cabin before coming home from a wonderful weekend at camp.

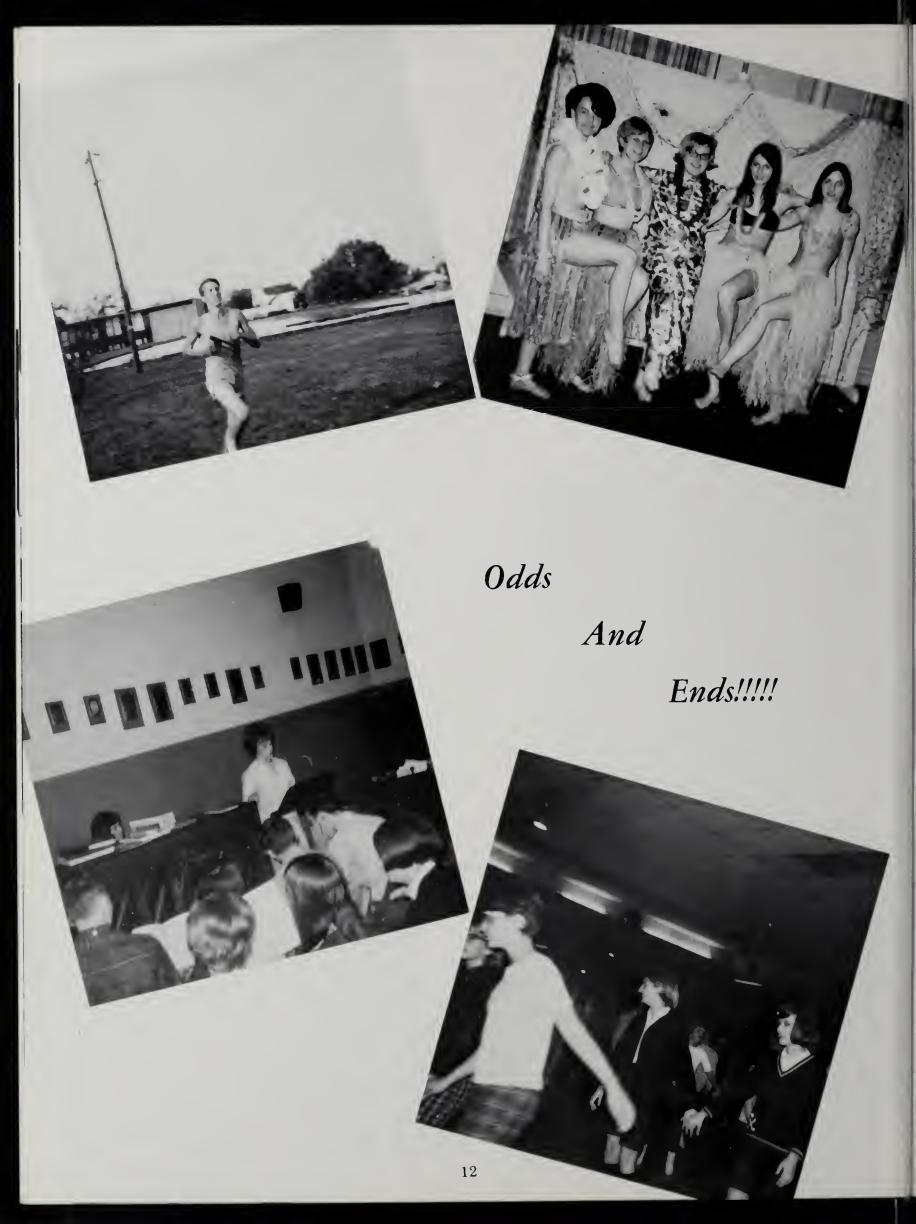

Teachers Speak??????. . . .

Senior Day

On May 17, 1968, the Seniors of 1968 put on their caps and gowns for the first time. The Seniors realized that in a few days they were going to close one door and open another.

During the Awards Day program, seniors were given awards for scholarship, sports, music and art, and perfect attendance.

Seniors, you are entering "the brave new world," or the adult world. Seniors the door is open ---- you do what you want.

Paris By Night

The prom this year was held at the Cedar Creek Women's Club. "Paris by night" was the theme and music was provided by Leonard Guillottce. The crowning of the king and queen was the highlight of the evening. They were Tom Brunner, king, and Annette Messmann, queen.

Their court consisted of Susan Mackel and Steve Simon, first runner up; Kayleen Wiseman and Phil Sloffer, second runner-up; and Kathy Bailey and Mike Hayes, third runner up.

Everyone had a good time and they also enjoyed the after prom party in the gym given by the senior homeroom mothers.

Thanks to the excellent planning of the juniors and the senior's mothers everyone had a good time at both affairs.

These people are getting refreshments at the After Prom Party before going back out and dancing to the "Vars."

Barefoot In The Park----After Prom Party

Cosette Blanchard was Band Queen.

Annette Messmann was Citadel Queen.

Huntertown's Royalty

Denny Bragg was Mr. Leprechaun.

Ginger Harrod was FFA Chapter Sweetheart.

Rhonday McCord, Mike Mills, Mike Amstuz.

A c a d e m i c s

These Junior English students are listening as Jan Logar reads part of their lesson for today.

English is a medium of communication of ideas--whether it
is used in reading, writing, or
speaking. It is the core of every
class. Being able to express oneself in both oral and written work
is carried over in everyone's life.
In English, juniors are kept busy
the second semester writing a
term paper. Seniors study Shakespeare; sophomores and freshmen
review all the fundamentals they
have learned before and learn
how to write a neat-looking theme.

English----The Core Of Everything

English class outside????? Well, the Seniors had their English classes outside while they were studying nature to help them realize the poets thoughts.

Horseplay??? It looks like Mike made Marsha mad!!!!

Spanish students realize the importance of learning another language as they enroll in Spanish. Students learn the cultures of all the Spanish speaking countries and may at the end of the year even visit one.

El Espanol----Opens Many Doors

These Spanish III students are shown reading the newspaper written in Spanish and some magazines in Spanish.

These Math students seem to be listening to Mr. Merryman as he gives them an assignment for tomorrow.

Math----A Land Of Opportunity

Mr. Merryman, Mr. Sloan, and Mrs. Alter were the mathematics teachers this year. In Algebra Mr. Merryman teaches the freshmen the basic fundamentals. In Geometry Mrs. Alter teaches theorems and assumptions.

Mathematics opens many doors for the person who has a "head for figures". The jobs are opening up now----so why not become a math major??????

"Mathematics possesses not only truth,
but supreme beauty... "--Russell

These Chemistry students seem to be studying hard except Steve Ethridge. I think Steve is more interested in the photographer than studying.

Chemistry----A World Of Matter And Motion

Under the direction of Mr. Sloan, the chemistry students learned about chemicals and elements and their values. They also learned how to compute chemical reations.

These typing students are shown busy typing away on their lessons for the day.

Business Skills Help Us Advance In The World

Under the direction of Mrs. Bauserman the typing classes had lots to do during their year of study. She thought up exercises for them to do, and all the lessons in the book besides. Sometimes some of the students would say, "Mrs. Bauserman, do WE have to do this?" She would always answer, "Yes."

Mrs. Bauserman also taught Shorthand I and II. In Shorthand I she taught the girls the basic fundamentals they had to know and gave them dictation.

In Shorthand II she had the girls take dictation at speeds faster than they could take and have them transcribe them. This would build up their speeds.

Under the direction of Mr. Fox the Bookkeeping class learned the basic fundamentals of bookkeeping plus trying to keep their records correct and balanced. Everyone received a lot of knowledge to help him prosper in today's world.

The senior government class is shown here listening to Karen West tell about her stay in Peru last summer.

Government And Economics

These Seniors are shown walking back to their bus after a tour of the International Harvester Plant here in Fort Wayne on an Economics trip.

Under the direction of Mr. Mc-Kinney the seniors studied government, and economics. In their economics class they studied the "Affluent Society," "The Status Seekers," and the stock market. They found out they didn't know as much as they thought they did about the economic conditions of the United States.

Home Economics

Under the direction of Mrs. Hostetler and Mrs. Gallender, the students taking Home Economics learn about cooking and sewing.

Students taking home economics present a style show each year to show the student body and their mothers what they have done in home ec.

Teachers and girls, a job well done.

Each year the Home Ec department presents the Crisco award to a Junior or Senior who shows the most interest in home ec. This year the recipient was Debby Helmick.

Each year a freshman or sophomore receives the Junior Crisco award for the most interest shown in home ec from their class. Mrs. Gallender is shown giving the award to Sharon Zehr.

Mark, are you and Steve actually working or are you posing for Al?????

Vocational Agriculture & Drafting Class

Tom Briggs is shown posing beside his tractor as he works on it during this Vocational Agriculture class every morning under the direction of Mr. Pfafman.

These health class students under the direction of Mr. Gorsuch learn all about our bodies and how they function. They also learn about first aid and then they practice what they have learned on their classmates. I wonder if these students are listening to Mr. Gorsuch or more interested in the photographer.

Health And Mechanical Drawing

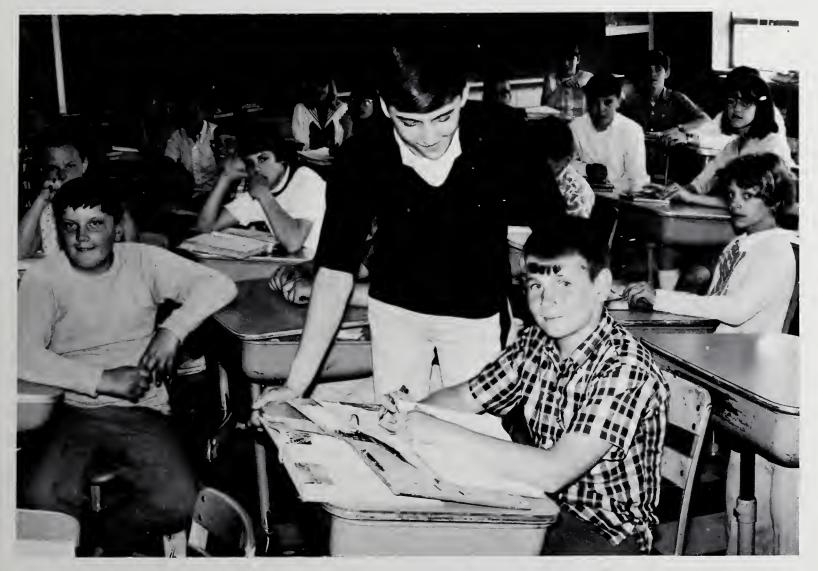

Under the direction of Mr. Hall these boys seem to be very engrossed in their work. The skills the boys learn now will be helpful to them in the future.

Debby Helmick is giving a speech in class for a grade.

Speech And Exploratory Teaching

The Speech department was led by Mr. Bauserman. The students gave speeches about famous people, a radio news program, and several other types. Each student developed his own talents and the other students learned by this person.

Exploratory Teaching students were under the direction of Mrs. Hostetler. The students studied the various approaches to teaching and then went into the classrooms to see which one worked the best for them.

Mike Stamets is shown here teaching his sixth grade pupils under the careful guidance of the regular teacher. Mike, are you helping or hindering?????

These art students are shown working on their art projects for class. They are left to right: Bonnie Furthmiller, Karen Davis, Annette Messmann, and Becky Schaff.

Art----A Language Of It's Own

These students are shown making psychedelic paintings for class.

Yes, Art is a language of its own. People throughout the world have expressed their thoughts, ideas, and even their own cultures of life through artwork.

The Art department of Huntertown is headed by Mrs. Walsh. The students produce many exciting displays as we can see them in the cafeteria during dark, dreary days of the school year.

Future Farmers Of America

The F. F. A. is an active organization consisting of boys who are interest in some field of agriculture. The boys had a skating party where they selected their Chapter Sweetheart.

The Pep Club backed the team at every game this year including the County and Sectional Tournaments. The boys' relied on us to give them the strength to win for Huntertown High and we did it. Good job well done as the last year for a pep club for Huntertown draws to a close.

Pep Club Has Spirit!!!!

These Seniors are showing their backing for the team by sitting in Pep Block.

The Pep Club followed the team everywhere. The main purpose of the club is to promote school spirit with an emphasis on good sportsmanship.

The club sold "Team Buttons" and Wildcat pennants this year in order to raise money and school spirit. With abounding spirit the Pep Club of Huntertown High drew to a close for its last year.

A New Sport----Football

Thirty wild, enthusiastic, and husky boys came out for the first football practice of Huntertown High. These boys put in long hard hours of practice under the direction of their coach, Mr. McKinney! They boys did their best as they played games against tough foes. Even though they only won one game--- they did their best! Thanks a lot boys for giving the ever spirited "Wildcat" of Huntertown another sport to cheer about.

The 'Cats of Huntertown High School did their best as they won 11 out of 21 games. The team had great backing throughout the year by the student body, parents, teachers, and sportswriters.

In the County Tourney the 'Cats were turned back, as their final attempt to catch Leo in the last few seconds failed. At the Sectional Tourney the team showed their great skills and teamwork, but it was still in a losing cause. The 'Cats were defeated by New Haven in the first Sectional overtime in 1968. The team made a roaring finale for Huntertown High as its last year for basketball drew to a close!!!!!

Tom Brunner ran his way to the "Most Valuable Player" award this year for the second consecutive year.

The Senior Relay Team looks "devilish." The reason -- they set a new school record for the 880 relay!!

This year our Track Team had one of its best years. Our team placed second in the A. C. A. C. meet, but a lot of records were broken by outstanding Wildcats. John Motz met the A. C. A. C. pole vault record at 12'6"; Phil Sloffer set a record in high hurdles at 15.6 and he tied the low hurdle record for 21.0; Tim Thomas set a 2 mile record at 10:05; Rick Wies set a 440 yard record at 52.5. Thus, ended the fabulous Track Team's history at H. H. S.

CROSS COUNTRY TEAM - FRONT ROW: Steve Davis, Mike Amstutz, John Thomas, Al Remenicky Bill Fleming. SECOND ROW: Hank Parton, Paul Sloffer, Jim Simon, Phil Freck, Rick Wies, Tim Thomas, Mr. Gorsuch, Coach.

For the third consecutive year Tim Thomas was given the title "MOST VALUABLE PLAYER" by his teammates.

FRONT ROW: Jackie Lucas, Kathy Bailey, Rhonda McCord. SECOND ROW: Ann Bosler, Nancy Eagle, Teri Simpson, Gloria Shreffler. THIRD ROW: Miss Poling, Pat Sigler, Jan Logar, Belinda Raub, Barb Raub. FOURTH ROW: Coxy Blanchard, Sharon Gloyd, Pam Hamm, Nancy Krieger.

The INTRAMURAL BOYS' VOLLEYBALL TEAM kept the gym busy at noon by playing regular season games and then holding a tourney. They did a good job!!!

The vivacious Varsity "Spirit Cats" were Kathy Bailey, Senior, and Captain, Jackie Lucas, Junior, Pat Sigler, Junior, and Barbara Raub, Junior.

Our spirited "Wildcat" Pat Aikens helped the cheerleaders.

Our Spirited "Wildcats"

Peggy McComb, Mary Lou Maloney, and Sherry Fulk lead the Pep block in backing the Reverse team.

Faculty & Administration

These cooks keep us, the students, fed when we're hungry. Under the direction of Mrs. Marschand they prepared over 700 meals a day. Thanks for the great meals every day.

Our Willing Workers

Mr. Bailey had his hands full trying to keep the school clean.

Few of us actually stop to realize what these people do for us. The cooks, the custodians, and the bus drivers are forever "behind the scenes" doing odd jobs to make our school look better.

Without the cooperation of these people and the student body our school would not function like it does.

I think we, as the students of Huntertown High, owe these people a great deal of thanks for all their help, understanding, and hard work.

COUNTY SUPERINTENDENT: Mr. Robert Mantock.

ASSISTANT SUPERINTENDENT OF COUNTY SCHOOLS: Mr. James Mallers

Work STUDY COORDINATOR: Mr. Donal Dieberum

Under Their Leadership. . .

We, the students of Huntertown High School, have been ushered into the world of education through the meticulous supervision and guidance of these fine gentlemen. It is also under their capable supervision that a new school will be built to accommodate the Huntertown and Arcola students. This new school, Carrol High School, will indeed be a great task in every aspect; but these gentlemen will certainly put every effort forth to make it the finest school possible.

HUNTERTOWN SCHOOL BOARD: Mr. Robert Dunfee, Mr. Richard Ott, Mr. Glen Buckmaster, Mr. William Holmes, Mr. Fred Dickes.

Ready and willing, Mrs. Herdman gets ready to take a letter from Mr. Honaker, our principal, on his command.

Our Supervising Personnel

Our Elementary principal, Mr. Wort, seems to be studying some rules and regulations with the able assistance of his secretary, Mrs. Houser.

Marsha Heine's and Tom Brunner's aspect of life earned them the title MOST LIKELY TO SUCCEED.

Senior Favorites

Steve Simon's and Nancy Pulfer's friendliness won them BEST PERSONALITIES.

Careful choosing of attire won Mike Hayes, Annette Messmann, and Mike Stamets the title BEST DRESSED.

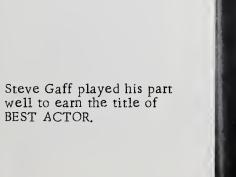

A sense of rhythm and coordination won Pat Aikins and Phil Freck the title BEST DANCERS.

CLASS CLOWNS were Vicki Appel and Tom Tilden by their witty humor.

Theresa Thompson played her part well to get BEST ACTRESS.

These Seniors proudly display their Senior Cords that they wore to the basketball games throughout the year.

Senior Power

"68"

At the Senior Banquet this year was held a Miss Huntertown contest. The contestants were Jerry Gump, Mike Staments, Bill Fousnought, and John Holopeter. The winner was Bill Fousnought who is shown here with Tom Brunner.

Salutatorian - Janis Henderson and Valedictorian - Sue Mackel.

The Senior Class Officers just can't seem to stay out of trouble. The officers are: Janis Henderson, Corresponding Secretary; Nancy Pulfer, Secretary; Tom Brunner, President; Steve Simon, Vice President; and Dave Edyvean, Treasurer.

Phil Sloffer led the Senior Madrigals this year as they sang at Awards Day and Commencement. At commencement the traditional song, "The Halls of Ivy" was sung.

Senioritis

The class officers who led the planning of the prom this year were Barry Wilkinson, Vice-President; Don Kincaid, Treasurer; Carolyn McComb, President; and Karen Herdman, Secretary.

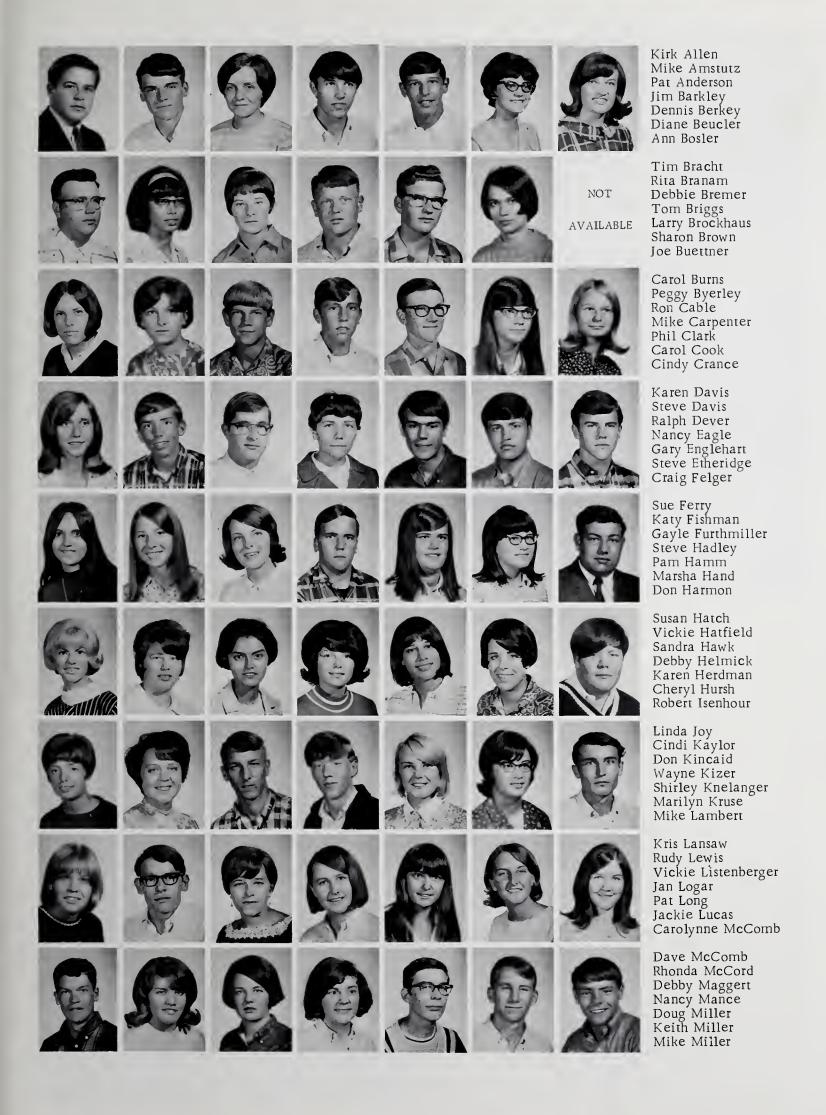

The boys' state delegate this year is Mike Amstutz, alternate, Phil Clark.

J u n i o r s

The girls' state delegate this year is Pat Anderson, alternate Ann Bosler.

The freshmen class officers who led their class through their first year of high school were Rosy Motz, Secretary; Ginger Harrod, Treasurer; Rick Horstmeyer, President; John Hayes, Vice-President.

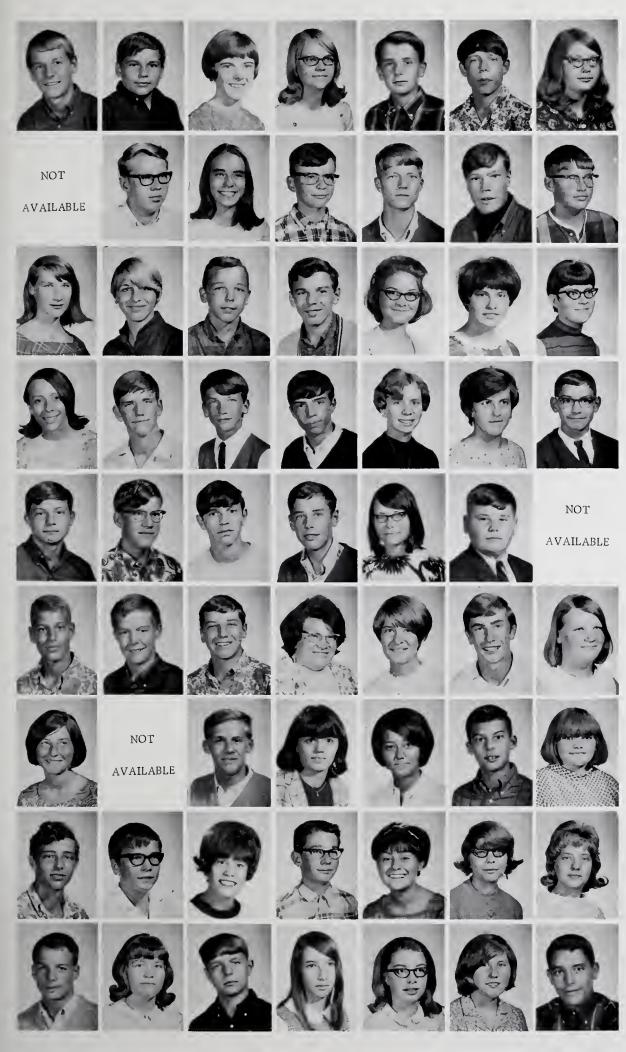

Freshmen

The Spirit of '71 was high and mighty as the class of '71 entered high school. They had many trials and errors, they held a dance as their money-making project, and their class won the Band Skating Queen.

The pains of growing up, the confusion in the halls, the trouble with upperclassmen, and part of becoming a freshmen entered their lives as they became involved in high school activities.

Freshmen you have fulfilled a year of happiness and we, the upperclassmen, hope you have many more!!!!

1968 Allen County Track Champs

Under the direction of their coach, Mr. McKinney, the Huntertown Junior High Track team became the 1968 ALLEN COUNTY CHAMPS. I think the Junior High should be very proud that their team achieved one of their goals. Huntertown won the meet with 60 1/2 points led by Archie Zehr. Huntertown's Junior High set a new half-mile relay record of 1:47.7 Congratulations boys on a job well done!

The Junior High Band performed several times throughout the school year for the student body, parents, and the faculty. They are ready to become musicians as some of them depart Junior High and enter high school.

The Music And Policy Makers'

The Junior High Student Council was led by president, Jill Clark. The Student Council did a good job helping the Junior High follow the rules.
